- **M.Tech in Energy Science and Technology (Seats - 12)**

Regular Category Eligibility

1. **B. Tech / B. Engg in Mechanical Engineering or Electrical Engineering or Petroleum Technology & Chemical Engineering or Chemical Engineering or equivalent degree* with minimum aggregate marks of 60% marks or 6 CPI for general category and 50% for reserved category.**

* Chemical Engineering, Biochemical Engineering, Ceramic and Glass Technology, Chemical Technology, Electrochemical Engineering, Oil Technology, Paint Technology, Plastic Technology, Polymer Technology, Rubber Technology or Petrochemical Engineering.
Students with degrees with other subjects/nomenclature are not eligible to apply

2. **GATE / Non-GATE candidates' entry criteria:**

For candidates with valid GATE score, shortlisting for interview will depend on the cut-off score decided for each program.

For candidates WITHOUT GATE score (essentially the sponsored candidates), for academic year 2019-20, selection will be through a written exam and/or interview. Decision to conduct this written exam to be made depending on the number of GATE applicants in the program.

Shortlisted candidates will be called for a written test and interview. Final selection will be made based on the performance in written test/interview, GATE score and previous academic performances taken together.

Sponsorship Category

Sponsorship basis: Valid GATE score is not required. These candidates will have to qualify in a subject-wise written test/interview. Such candidates will not be eligible for M.Tech. scholarship. The candidate should have worked for the sponsoring organization for at least two years and need to submit a No Objection Certificate, leave approval for at least two years and the company should guarantee continued employment during the period of study.
