

RAJIV GANDHI INSTITUTE OF PETROLEUM TECHNOLOGY, AMETHI  
(An Institute of National Importance established under the Act of Parliament)

**Advertisement for Junior Research Fellow (JRF) in the Institute Sponsored Project**

Applications are invited for the post of Junior Research Fellow (JRF) in the Institute sponsored project entitled *“Theoretical and Computational Studies of Nonlinear Surfactant-laden Dynamics and Hyperbolic Conservation Laws on Structured/Unstructured Grids”*. The JRF will receive a fellowship of Rs. 25,000/- (consolidated) per month for a period of one year. This position purely ad-hoc in nature. However, based on the progress made by the candidate, he/she may be allowed to register for a PhD program at the Institute subject to the Institute norms/selection process. Also, depending upon the availability, hostel facility may be provided to the candidate.

**Eligibility Requirement:**

Candidate must have M.Sc. degree in Mathematics/ Mathematical Sciences (with at least 60% of aggregate marks) with valid NET/GATE/SLET score. The upper-age limit for the post is 27 years (on 1<sup>st</sup> January, 2019). Candidates familiar with programming language(s)/ Matlab will be preferred.

**Application detail:**

Interested candidates may send their detailed curriculum vitae (CV) with the educational details from 10<sup>th</sup> standard onwards, and work experience details, if any. The last date for the submission of the application form is 30th January, 2019 (before 5 PM). Candidates may send their CV via an email to the [mrajpoot@rgipt.ac.in](mailto:mrajpoot@rgipt.ac.in). In case of any query candidates may also write to the following email address.

Dr. Manoj K. Rajpoot

(Principal Investigator)

Division of Basic Sciences (Mathematics),

RGIPT, Amethi
