

20 April 2022

Subject: Opening of price bid for High-Pressure Goniometer and Carbonated water generation assembly

Reference Tender No: **RGIPT/JAIS/R&D/SEEDGRANT-P-2105/E-OPEN/2021-22/01**

The following two companies submitted their tenders for the above equipment before the due date

1. M/s D-Cam Engineering
2. M/s Gajjar Enterprise

The technical bid of the **High-Pressure Goniometer and Carbonated water generation assembly** was opened and critically examined by the members of the project purchase committee for project P-2105. As a result, all the committee members are delighted with the technical specifications given by the companies mentioned above, covering all the technical specifications and terms & conditions mentioned in the tender documents.

Hence the committee approves and recommends the above two companies are technically qualified. Accordingly, it is decided to open the Price bid on 22 April 2022 at 11:00 AM.

Dr. Amit Saxena 20/4/22

(Chairman, Project purchase committee)
