Career Objective

I am very inquisitive, diligent and honest individual. I am a good listener and learner as well as I am keen to obtain new skill and training and have a flexible approach to all work situation, and find it easy to adapt. Also I keep patience in any work I do or any crisis if happen to face. I have an artistic mind which helps me find innovative ideas to put into any task. However one weakness I have notice in myself is that I am little bit introvert. But I am working on it and I have promised that it will not affect your company as well.
