**General Advice**

1. Keep checking portal, mail, T&P cell social media for event schedule, and other placement-related updates. Failure to see the notice board/emails will not be accepted as an excuse for not participating in any event.
2. There may be PPTs/tests/events on very short notices due to unavoidable circumstances. Students are asked to be prepared for such situations and keep checking for updates frequently.
3. Always keep updated CV & documents handy as soft-copy online for any placement activity along with hard copies. Do not forget to bring the institute ID card at the time of written tests and interviews. (CV should be prepared according to T & P guideline)
4. Be seated 10 minutes prior to the start of any activity to avoid delays.
5. Be ready with all certificates (in original & duplicates) for the curricular and extracurricular activities, as mentioned in the CV.
6. Requests for providing printouts & photocopies from T&P Cell will not be entertained as they cause disruption to regular activities.
7. Please note that you need to wear a formal dress & maintain a decent appearance when appearing for the placement processes.
8. No mobile phones are allowed in the interview area. Kindly refrain from carrying one into interview venues.
9. Students must attend all kinds of seminars, workshops, lecture series, field visits etc. that are conducted by T&P Cell.

I accept all the Terms and conditions of the TRAINING AND PLACEMENT (T&P) CELL, ASSAM ENERGY INSTITUTE, SIVASAGAR mentioned above, and give my consent to register for on/off campus placement through T&P cell.

**Rules**

1. Students are expected to behave with the companies in a courteous manner and should not argue with the recruiters and maintain decorum even under provocation.
2. No discussion with the recruiters regarding the selection/selection process should be done.
3. Students can't put demands on recruiters for an increase of salary package, accommodation and other facilities which were not listed in recruiters job description and offer.
4. If there are any behavioural problems from the recruiter's side that students face, kindly inform the T&P cell immediately. Do NOT take action from your end.
5. If there are any behavioural problems reported against any student, appropriate disciplinary action will be initiated.
6. If the student remains absent from any stage/round of selection process without any prior intimation to T&P cell officially, he/she would be immediately de-registered from T&P and would not be allowed to take part in the further placement processes.
7. Do not contact the HR people of the companies personally. If you need any communication with any particular person or company, contact the T&P Cell In-Charge. Strict action would be taken against any student found contacting the HR for canvassing his/her candidature without the knowledge of T&P cell.
8. Students are not allowed to share their personal contacts via any means with the companies coming on-campus. If asked to fill in at any places, you should fill the contact details of T&P cell, refer to the T&P notification site for details or contact T&P cell in case of a discrepancy before proceeding.
9. Students are NOT allowed to appear in the final selection process (test/GD/interview etc.) of companies they have not applied to through the T&P system or have not been shortlisted in those companies. Students must refrain from contacting personnel of such companies till the placement drive for the academic year 2023-2024 over. Violation of this will attract deregistration and suitable disciplinary action. Only special cases allowed with prior approval of T&P.
10. Students appearing for any tests/GD/presentation should be present at least 10 minutes prior to the start of the process. Any entry to the gate 5 minutes after the scheduled time would not be allowed. The candidate thus would be considered absent for that particular process. Any violation or forced entry after that time limit would be entitled to the above effects liable.
11. Salary Package for Diploma Engineers is a minimum of INR 1.50 Lac PA; however, companies can recruit the students on any amount of stipend for the training period of one year. Students needs to appear all the interview for a salary package of INR 1.50 Lac PA onwards, where he/she is eligible. A Student can skip one company only, after that student will be debarred for all future companies till campus placement for other students of that branch the student belongs to is completed.
