Matriculation		Indus Academy	2015	9.8

INTERNSHIP /ACADEMIC PROJECTS

I did my intern from RINL Vizag (Rashtriya Ispat Nigam limited) after the completion of 4th semester of my college program. I got a chance to learn about ASP (Air separation Plant) and Utilities section of the Industry. This Plant Works on Cryogenics and it deals with Separation of Oxygen, Nitrogen and Argon. –

Supervised by K. Krishna Rao of RINL (from 3 June 2019-28 June 2019.)

I worked on Automated Quadcopter as a part of winter School 2k18 conducted by S&T. We had a team of 8 members and we worked on the automation of The Quadcopter- *Supervised by S&T committee*

I did a project under the academic course of Sociology,we had a team of 4 and we presented our work on Workspace Incivility wherein we conducted a survey among the worker staff and the students of our college. This course was *instructed to us by Dr. Anirban Mukherjee.*

I did a project on sweetening of sour gas and did a theoretical design based on it. We were a team of 3 and this project was part of a academic course of Natural Gas Ptoocessing,*instructed to us by Dr. U Ojha.*

I along with my batchmates went for an Industrial Trip to IOCL Panipat on 11th of January, 2020. We had a tour of the industry and it gave us a feel of how the industry functions. *This Trip was supervised by Chemical Department of RGIPT.*

AWARDS AND ACHIEVEMENTS

Cleared JEE Advanced with a rank of 2291 under SC Category.

Teaching Volunteer at Arpan Social Club: we go to a nearby village and teach students from class 1 to 12.

Teaching Volunteer at Gyanarpan; Under the banner of Project Amethi, we teach students of the nearby villages on our campus, from class 1 to 12

Poster Presentation at Winter School 2018 on Autonomous Quadcopter.

TECHNICAL SKILLS

Proficient in MS Word,Excel and Powerpoint

AUTOCAD skills: Intermediate

C Language: Intermediate.

MATLAB:Intermediate.
