Dear Sir,

We seek your kind approval to allow the PhD students admitted under Part time external category and not sponsored by the employing organization or any external funding agency to pay the tuition fee similar to that of the regular full time students. In order to aid the capacity building in the region and support the industries and educational organizations, RGIPT has offered PhD admission to employees of the above organization under Part time external category. These PhD students are sponsored but their tuition fees are not reimbursed by their employees. Therefore, the following fee structure which is similar to the full time regular category PhD students may be applicable to them from 2<sup>nd</sup> semester onwards.

Tuition Fee	Rs. 10000.00
Examination	Rs. 1000.00
Registration/Enrollment	Rs. 500.00
Amenities	Rs. 1500.00
<b>Total</b>	<b>Rs. 13000.00</b>

For the above fee structure to be applicable to the said student, he/she shall submit a certificate from the competent authority of the employing organization that the tuition fee is not reimbursed by the organization. We request you to kindly approve the semester fee structure for the above students so that they will be able to carry out their research work without any financial burden.

Yours Sincerely,
