INTERNSHIP

- **CyberSapiens**
2024 Jan – 2024 July (Remote)
- I have learned important cyber awareness practices such as the identification of phishing attempts, strong passwords, and multi-factor authentication to help mitigate cyber threats. Further, compliance standards were opened up to me through GDPR and HIPAA, which will ensure data protection within organizations. In addition, I became familiar with cybersecurity tools used in protecting networks and sensitive information: firewalls and encryption software. This knowledge will enable me to effectively contribute to a company's efforts in cybersecurity and compliance.

PROJECTS

- Report of DMARC policy.
