Herewith all concerned are notified that, as approved by the academic Senate of the Institute in the 13th meeting held on 30th September 2021, the B. Tech., MBA and M. - Registration for such courses is subjected to the approval from the Dean (Academic Affairs) through the DUGC/DPGC of the respective departments.
- The registration process will be carried out following the guidelines mentioned in MOOC/SWAYAM portals.
- Once registered, the course will reflect on the student's Institute registration page. The students are however allowed to de-register from the course at any time during the semester.
- On successful completion of the course, the equivalent credit and grade will be shown in the grade sheet.
