Office of the Dean (Academic Affairs)

25<sup>th</sup> August 2022

**NOTIFICATION**

This is to bring to the notice of all concerned that the Ph.D. students admitted at the beginning of Odd Semester, 2022-23 academic year onwards are eligible to avail three research fellowships as described in the “**Annexure-A**”. The students availing these fellowships will receive the following advantages as stated hereon;

- The students enrolled under these schemes will receive superior fellowship along with other monetary benefits (Details in Annexure A)
- Will get the opportunity to work under the joint guidance of faculty members from RGIPT and scientists from respective PSUs (A.1 and A.3 of Annexure A)
- Will handle research projects based on various industrially important problems in the domain areas of energy

The eligibility criteria, selection procedure, research area and other relevant details for each of the schemes are available in **Annexure A**. Interested candidates are urged to fill the **enclosed form**, get the filled form endorsed by the thesis supervisor and submit the same to academic office **along with a short write up of the proposed research work by Friday, 02<sup>nd</sup> September 2022** for further consideration. The number of seats are limited in each of the fellowship schemes. The final selection of students for these fellowships will be carried out by a designated committee and the results will be circulated in due course.
