Sub.: Evaluation & grading for the students enrolled for the summer term (2019-20)

Dear Sir,

Three final year students have enrolled for the summer terms (July to September 2020) to clear pending backlogs and are learning through the online lectures. For the evaluation and grading purposes, we propose to conduct an End-term examination of 100 marks and 3 h duration at the Institution. For this purpose, the student shall be allowed to return to the campus for a short period to appear for the examination, which will be conducted under conventional mode. The grading will be based on the aggregate marks obtained by adding 70% weightage from the End-term examination and 30% weightage from quizzes and assignments.

You are requested to kindly accord your approval for the same so that the students, course instructors and DUGC, Conveners shall be appropriately informed about the same.

Yours Sincerely,

U. Ojha
