Young Alumni Achievement Award 2023

presented to

Mr. Sanidhya Narain

on November 17, 2023

It is a pleasure to introduce Mr. Sanidhya Narain, a young and passionate entrepreneur. Mr. Sanidhya Narain was born on 21st April 1989 in Jhansi, Uttar Pradesh. He completed his BTech in Chemical Engineering from RGIPT in 2012. During his academic journey, he was involved in many extracurricular activities. He was the key member to start the Student Chapter of Society of Petroleum Engineers (SPE) at RGIPT, which won the Chapter of the Month Award in its first year of inception. Mr. Sanidhya also represented RGIPT at various national events like the World Petroleum Congress, Techkriti, and Antaragini, among others.

Driven by undeterred spirit, strong passion and everlasting enthusiasm, Mr. Sanidhya started his professional journey from the Aviation division of Indian Oil corporation Ltd. (IOCL), through campus placement, where he played a crucial role as a team member in establishing the country's highest aircraft refueling base. After getting two years of work experience, Mr. Sanidhya pursued his MBA from FMS, Delhi, where he also served as the president of the prestigious marketing society, MarkSoc. After completing MBA, he worked in the sales and marketing vertical of ITC at multiple locations nationwide.

Driven by his keen interest in entrepreneurship, Mr. Sanidhya commenced his entrepreneurial odyssey as a founding member of Pocket FM. His pivotal role in the global expansion of the business and leading the revenue stream to 120 million dollars has been noteworthy.

In the years since his graduation from RGIPT, Mr. Sanidhya has distinguished himself through hard work, dedication, and innovative spirit. In addition to being an inspiration to our current students, he is a role model for the RGIPT alumni community. Recently, Mr. Sanidhya has started his own company – Dashtoon, a startup centered around advanced generative AI technologies to create a platform where storytellers can transform their ideas into high-quality comic content.

The accomplishments of Mr. Sanidhya are numerous and impressive. His accomplishments are a testament to the quality of education provided by the Rajiv Gandhi Institute of Petroleum Technology, and the impact that education has on individuals.

Acknowledging his remarkable professional achievement and outstanding contribution, the Institute is proud to present the Young Alumni Achievement Award to Mr. Sanidhya Narain.
