

# RAJIV GANDHI INSTITUTE OF PETROLEUM TECHNOLOGY

(An Institution of National Importance)

## Students Achievement

### Congratulations!

**Mr. Ritansh Prabha**, B.Tech Petroleum Engg. & Geoengineering  
for representing the institute at **OTC Asia 2026**,  
held in Kuala Lumpur, Malaysia, March 31 to April 02, 2026

His team secured 3<sup>rd</sup> Prize in  
the group presentation on:

“Role of AI in Incident-Free  
Operations at Offshore Platforms”

Adding to this achievement, Ritansh received full conference funding, where he:

- Presented his research work
- Engaged with real-world industry challenges
- Shared valuable insights on offshore safety and operations

Institute wish him continued success in all his future endeavors!
