

Corrigendum-1

Date: 22-06-22

Reference Tender No. RGIPT/JAIS/R&D/SPD/2022-23/01

Reason for retendering:

Re-tendering is necessary to procure Spray Pyrolysis Deposition equipment for fulfilling the purpose. In an earlier tendering process for the same, the less number of the bids were received (i.e. only one bid is received). Therefore, re-tendering for the procurement of Spray Pyrolysis Deposition equipment is being done.
