

## Tenth Day (July 10, 2022) of Swachhata Pakhwada Celebrations at Rajiv Gandhi Institute of Petroleum Technology, Jais

As part of the Swachhata Pakhwada celebrations, on the tenth day, special women's Health Checkup Camps were organized at different places in the Mubarakpur Mukhetia village of Jais Tehsil. The objective of the programme was to do comprehensive routine blood checkups, general medical examinations, and gynecological examinations of women and girls so that they are relieved from all physical discomforts.

The programme will help to boost the morale of women beneficiaries of this underprivileged village of Jais Tehsil. As per their physical health, some advice regarding food and food habits was given to them. The medical examination team consisted of a Doctor, Nurse, and Technician which was coordinated by Dr Shivanjali Sharma and Dr Gargi Srivastava.
