CORRIGENDUM-4

DATE: 03/11/2022

TENDER REF. NO.: RGIPT/JAIS/PEGE/LAB/2022-23/03 Dated: 16 SEP. 2022

Reason for retendering

Retendering is necessary to procure "Supply & Installation of 15 nos. of "Upright Polarizing Microscopes for Teaching". In an earlier tender process for procurement of the same, less number of bids (02) were received. Therefore, retendering for the procurement of "Supply & Installation of 15 nos. of "Upright Polarizing Microscopes for Teaching" is being done.
