

**RAJIV GANDHI INSTITUTE OF PETROLEUM TECHNOLOGY
JAIS, AMETHI**

CORRIGENDUM -2

Date: December 26th, 2023

Please refer to the E-tender No. TENDER REF. NO.: RGIPT/JAIS/PEGE/LAB/2023-24/04 in CPP portal & Institute Website for the supply and installation of 12 nos. "Upright Polarizing Microscopes for Teaching".

Corrections/Addendum to 12 nos. "Upright Polarizing Microscopes for Teaching".

Technical Specification Corrigendum -2

S. N.	Before	After
1	Objectives: Pol Graded Plan Achromatic Objectives for both Transmitted and Reflected light illumination 4x/5x Pol- Dry strain free, N.A. 0.10 10x Pol- Dry strain free, N.A. 0.25 20x Pol-Dry strain free, N.A. 0.40 50x Pol-Dry strain free, N.A. 0.75 50x Pol-Oil immersion strain free, N.A. - 0.85 (Remark: The objective should be strain-free and Pol grade only and work with and without a cover slip. Suitable for a minimum 20 mm field of view	Objectives: Pol Graded Plan Achromatic Objectives for both Transmitted and Reflected light illumination 4x/5x Pol- Dry strain free, N.A. 0.10 10x Pol- Dry strain free, N.A. 0.25 20x Pol-Dry strain free, N.A. 0.40 40/50x Pol-Dry strain free, N.A. 0.65/0.75 (Remark: The objective should be strain-free and Pol grade only and work with and without a cover slip. Suitable for a minimum 20 mm or more field of view.
2	Digital Camera: (1Nos) High-resolution digital Color CMOS Camera with 12 megapixels or above with software and system Supported Operating systems Win 10 or higher versions Suitable C Mount Adaptor.	Among the 12 microscopes, one microscope will have the- a. Trinocular head and Camera as per specification given below- Digital Camera: (1Nos) High-resolution digital Color CMOS Camera with 12 megapixels or above with software and system Supported Operating systems Win 10 or higher versions. Suitable C Mount Adaptor b. 50x Pol-Oil immersion strain free, N.A. - 0.85 (Remark: The objective should be strain-free, and Pol grade only, and work with and without a cover slip.

The last date to receive the bid is extended till 5th January 2024 (Friday) 3 PM & the Opening of the Techno-commercial bid will be at 4 PM.

Dr. Satish Kumar Sinha
Chairman, Purchase Committee
Department of Petroleum Engineering & Geoengineering
