**Notification for Retender**

DATE: 15.01.2024

TENDER REF. NO.: RGIPT/JAIS/PEGE/LAB/ 2023-24/03 Dated: 28-11-2023

**Reason for retendering**

Retendering is necessary to procure "Supply & Installation of " Advanced research motorized microscope with reflected and transmitted light, Fluorescence Attachment with Digital camera, Imaging software, Point counting stage and Heating Stage -1 No, ". In an earlier tender process for procurement of the same, less number of bids (02) were received. Therefore, retendering for the procurement of "Supply & Installation of " Advanced research motorized microscope with reflected and transmitted light, Fluorescence Attachment with Digital camera, Imaging software, Point counting stage and Heating Stage -1 No," is being done.
